INTERNATIONAL CONFERENCE IN SCIENCE AND MATHEMATICS EDUCATION

The University of the Philippines National Institute for Science and Mathematics Education Development (UP NISMED) will hold the International Conference in Science and Mathematics Education with the theme Implementing Curriculum Reform: Challenges, Successes and Opportunities from October 28 to 30, 2014 at Dolores F. Hernandez Hall, UP NISMED, Quirino Avenue, Diliman, Quezon City.

The Conference aims to:

1. provide a venue for sharing research, best practices, and innovations among Science and Mathematics teachers, educators, and administrators in order to implement support, and sustain science and mathematics curriculum reform; and
2. promote the exchange of ideas about continuing professional development as a means of raising the capacities of Science and Mathematics teachers.

Schools division superintendents, school principals/administrators, Science and Mathematics teachers and supervisors from both public and private elementary and secondary schools are the target participants. They may be invited to submit abstract of their presentations.

Participation of both public and private schools shall be subject to the no-disruption-of-classes policy as stipulated in DepEd Order No. 9, s. 2005 entitled Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith.
